

# Architecture for Humanity

26th-31st October 2009, India Habitat Centre, New Delhi

In 3 corners of the world, Afghanistan, India and Netherlands, lie 3 simple buildings, by 3 passionate architects. But they all speak the same language, the language of humanity. A showcase of these works by architects Anne Feenstra, Revathi Kamath and Onix, will examine the role of people, place and culture in contemporary architecture.
